This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint creases. A small, dark, irregular stain is visible near the bottom center of the page. The left edge of the page shows the binding of the book, with some visible stitching or glue. The overall tone is warm and slightly yellowed, characteristic of old paper.

1990

.....

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

10. The following table shows the number of people who have been convicted of a crime in the United States since 1970, by race and sex. The data are from the U.S. Department of Justice, Bureau of the Census, and the U.S. Department of Education, Office of Education.
